

5th December 2025

Re: Year 11 Parents' Evening Wednesday 7th January 2026

Dear parent or carer,

I am writing to invite you to our upcoming Parents' Evening on **Wednesday 7th January**. The evening will run from **4.00pm – 7.00pm** and is an opportunity for students, parents and carers to meet with all subject teachers to discuss their recent assessments, academic progress and any concerns you may have.

Miss Morgan (Director of Learning) and Mrs Mackenzie (Year 11 Year Manager) will also be available on the evening, should you wish to make an appointment with them.

Booking System - Sign in using this link: [SchoolCloud - Ashington Academy](https://ashington.schooldcloud.com)

We continue to use our SchoolCloud booking system which allows you to book your appointments online for a face-to-face appointment in school. This replaces the previous paper form and allows you to have access to your appointments at any time, you can also change appointment times if your plans change. Use the link below to sign in using your details and your child's details. The system will then allow you to book appointments with all the relevant teachers for your child.

The attached guide to SchoolCloud shows how to make appointments, but if you are having any difficulties with logging onto the system or making appointments, please contact the school office for assistance.

Appointments are scheduled to last for five minutes, please make every effort to keep to this time to ensure all appointments run to schedule. If you would like a further appointment with a particular member of staff, this can be arranged at a later date.

Students will be receiving their mock results at the **end of the day 15th December** and you will receive them that evening. Parents' evening will be an excellent chance to discuss the next steps following these.

We look forward to seeing you soon.

Yours faithfully,

Stephanie Morgan
Director of Learning for Key Stage 4
